Where Coordination Meets Ceremony

My name is **Elizabeth Waruru** – an Ordained Wedding Officiant and passionate Wedding Coordinator based in Old Bridge, NJ. I bring something most officiants simply cannot offer: a deep understanding of the entire wedding day, not just the ceremony itself.

Ordained through Universal Life Church Ministries

Experienced wedding coordinator – I understand event flow, timing, and vendor communication

Based in Old Bridge, serving all of Middlesex County and surrounding areas

Passionate about creating ceremonies that feel personal, meaningful, and perfectly executed

Available for weddings, vow renewals, elopements, and intimate celebrations

Most Couples Don't Know What to Look for in an Officiant — Until It's Too Late

The Common Regret

Choosing the wrong officiant is one of the most common wedding regrets.

Couples often discover too late that their officiant was unprepared, ran over time, blocked the photographer, or delivered a generic script that felt nothing like them.

- ✘ Generic scripts that don't reflect the couple's personality or beliefs
- ✘ Officiants who don't coordinate with photographers, planners, or venue staff
- ✘ Ceremonies that run over time and throw off the entire reception schedule
- ✘ No guidance on vows, ring exchange, or ceremony flow
- ✘ No backup plan if something goes wrong on the day

You Deserve an Officiant Who Understands the Whole Day — Not Just Their 20 Minutes

My coordination background is your greatest advantage. I don't just show up and read from a script — I arrive prepared, communicate with your venue and photographer in advance, and deliver a ceremony that flows seamlessly into the rest of your wedding day.

Coordinator-trained: I understand cues, timing, and vendor communication

I work with your photographer — never blocking the shot

I ensure the ceremony starts and ends on time, protecting your reception schedule

I guide the wedding party so they know exactly where to stand and when to move

I handle the marriage license filing so you don't have to think about it
